The cutting of timber is done spasmodically here and there, but not as a generally recognized industry, and the possibilities of development are not encouraging in view of the broken nature of the country, and the lack of transport facilities.

POSTAL REVENUE.

Letters, Newspapers, Prices Current and Book-packets which are *unpaid* will be liable to a surcharge equal to double the prepaid rate; and, if they be insufficiently prepaid, to a surcharge equal to *double the deficiency*.

Private Post-cards prepaid by means of one penny postage stamps may be sent by the Inland Post on the following conditions:—

They must be of ordinary card-board not thicker than the material used for the Official Inland Post card. The maximum size must correspond as nearly as possible with the size of the Inland Official Card, and the minimum size must not be less than $3\frac{1}{4}$ by $2\frac{1}{4}$ inches.

The rules and regulations relating to the Official Inland Post Card, and to the Official Foreign and Private Post Cards, apply equally to Inland Private Post Cards.

A Private Post Card which does not conform to the above conditions will be treated as a letter and charged accordingly.

The Postage on a Parcel must be fully prepaid or it cannot be forwarded.

A Book Packet may not exceed 3 pounds in weight; nor 2 feet in length or 1 foot in width or depth except it be intended for transmission by Inland Parcels Post.

A Parcel may not exceed 16 ounces in weight, 2 feet in length nor 1 foot in width or depth, except it be intended for transmission by Inland Parcels Post.

Newspapers, Prices Current, Book-packets and Parcels must be posted without a cover or in a cover open at the ends or sides so as to admit of the contents being easily withdrawn for examination; the mere clipping of the corners or of the sides of an envelope or other cover is insufficient. They must not contain any letter or communication of the nature of a letter, nor anything that may injure the Officers of the Post Office or the contents of the Mail Bags.

If any letter or communication of the nature of a letter be found in a Newspaper, Prices Current, Book-packet or Parcel it will be withdrawn and surcharged at the *Wholly Unpaid Letter-rate of Postage*. If inseparable the whole Packet will be liable to the Letter-rate of Postage.

The following may, however, be transmitted by Book-post:—

Old Letters, which have apparently passed through the Post before and have served their original purpose.

Copies of Letters which do not bear a present date and which it is manifest are not serving the purpose of *original* letters.

Letters which are intended for publication in a Newspaper or otherwise.

Circulars, *i.e.*, which, according to internal evidence, are being sent in identical terms to several persons and the whole or greater part of which is printed engraved or lithographed.

Such letters and Circulars must not, however, be closed in any manner and must be so put up as to admit of easy examination of their contents.

Any letter or other Mail Matter may be registered on pre-payment of the Registration Fee and Postage.

Packets containing Money, Jewellery or other Value, must be registered and must be prepaid at the *Letter-rate of Postage*.

Any Packet found to contain Value, but not registered will be liable to a surcharge equal to double the Registration Fee, *viz.*, fourpence.

N.B.—By Law the Post Office is not liable for the loss of any registered Letter or of its contents; but in order to meet the requirements of the Postal Union Treaty, the Postmaster for Jamaica will be prepared to make good the contents of a REGISTERED LETTER lost while passing through the Post to the extent of two pounds, in certain cases.

- PROVIDED—1. That the sender duly observed all the conditions of registration required.
 2. That the letter was securely enclosed in a reasonably strong envelope.
 3. That application was made to the Postmaster for Jamaica immediately the loss was discovered. (When the complaint is that the contents of a letter have been abstracted the envelope must accompany the application, otherwise the question cannot be entertained.)
 4. That the Postmaster for Jamaica (whose decision shall be final) is satisfied that the loss occurred while the letter was in the custody of the Jamaica Post Office and was not caused by any fault on the part of the sender.
